An **INFORMATION EVENING** about the Company will be held on:

The evening is intended to be informative and fun, comprising informal presentations explaining what the Company is, what it does and why it may be of interest to you, interspersed with tutored **wine tastings** based on the theme Old World v New World, upon which we can adjudicate, and canapés. **The evening aims to finish at about 7.30**

This is the main Recruitment event of the Company this year and its success is **dependant on Members bringing one, or preferably two, guests, to whom you can send the attached flyer.** If you are unable to attend personally, please still nominate guests (**guests are free**) and they will be looked after.
